

Park and Walk summer games

I spy.....Animals

Spot all of the following animals on your way to the Ark! Even if you don't find all of the animals, have fun looking for them and all children get a bag of sweets on arrival at the Ark! (Tip: Try this on a sunny day to spot more animals).

1) A Butterfly.

Butterflies enjoy feeding on nectar from flowers.

2) A Bee.

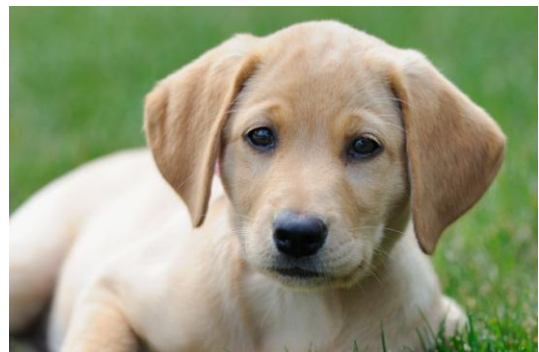

Bees collect nectar from flowers to make honey.

3) A Black bird.

Can you hear a black bird singing?
They have a beautiful song.

4) A Dog.

What is your favourite dog? Big, little,
hairy or curly?

5) A Pigeon

Pigeons nest and have babies all year round. They feed their babies on milk.
